

Cookie Policy

Effective Date: June 5, 2026 · DTG Research LLC · Reg. No. 2025-001625871

1. What Cookies Are

Cookies are small text files placed on your device when you visit a website or web application. DTG Sentinel uses cookies and similar technologies (including local storage and session storage) to keep you logged in, remember your preferences, and understand how the Service is used.

2. Cookies We Use

Essential Cookies

Strictly necessary for the Service to function. They manage your authentication session, maintain your selected interface language, and preserve your terminal state (open tabs, active functions). No consent is required for essential cookies.

Functional / Preference Cookies

Remember your settings — such as subscription tier, watchlist layout, and terminal preferences — so you do not have to reconfigure them on each visit. Set only with your consent.

Performance and Analytics Cookies

We use anonymised analytics to understand which features are most used, identify errors, and improve the Service. Data is aggregated and cannot be used to identify you individually. Set only with your consent.

Marketing Cookies

We do not currently use advertising or targeting cookies. If this changes, we will update this Policy and seek your consent before setting any such cookies.

3. Third-Party Cookies

Our payment processor may set cookies during the checkout and subscription management flow. These are subject to the payment processor's own cookie and privacy policies. We do not control these cookies.

4. Managing Cookies

On your first visit to the Service, a consent banner will allow you to accept or decline non-essential cookies. You can change your preferences at any time via the cookie settings link in the application footer. You can also manage or delete cookies through your browser settings. Disabling essential cookies will prevent you from logging in and using the Service.

5. Retention

Session cookies are deleted automatically when you close your browser. Persistent cookies remain for the period set out in our cookie consent tool, typically 12 months, or until you delete them manually.

6. Updates

We may update this Cookie Policy as the Service evolves. Material changes will be reflected in the Effective Date above.

7. Contact
